

Date 14th November 2011	 SCAA <small>Seychelles Civil Aviation Authority</small> SEYCHELLES INTERNATIONAL AIRPORT AIRSIDE NOTICE	SIA AN 03 / 2011 Temporary / Informative
INTENDED RECIPIENTS:	All Apron Users	
SUBJECT:	Commencement of work on ‘New Helipad Project’	

This Airside Notice serves to inform all apron users of the commencement today, Monday 14th March 2011, of the ‘New Helipad’ project at the Northern Parking Area (NPA).

The ‘New Helipad Project’ will consist of the construction of two new helipads complete with access at the NPA. Work is expected to take 12 weeks to complete.

The appointed contractor is ‘Land Transport Agency’ with ‘Dugasse Construction’ as the main sub-contractor. During construction works, the areas will be hoarded and cordoned off. Some parts of normal operations will be affected to some extent and SCAA will issue updates and necessary directives from time to time. All users are required to comply fully with these directives including safety precautions around work site. Your full co-operation during the execution of the project is solicited.

Please take note of the following useful contacts that may be useful during the implementation of the project;

The project information will be co-ordinated by ACMC;
 Email: acmc@scaa.sc
 Tel: 4384281 / 2521870
