

Date 02nd August 2012	 SCAA <small>Seychelles Civil Aviation Authority</small> SEYCHELLES INTERNATIONAL AIRPORT AIRSIDE NOTICE	SIA AN 04 / 2012 Permanent / Compliance
INTENDED RECIPIENTS:	All Aircraft Operators	
SUBJECT:	Domestic Parking Stands	

This Airside Notice serves to inform all aircraft operators that new parking stands have been demarcated at the domestic parking area.

1. The stands have been designated as **D1**, **D2** and **D3**; (D1 being closest to the Terminal) as illustrated by the attached Layout Plan.
2. Provisions have not been made for parking for AVGAS refueling. When and if this becomes necessary, co-ordination must be made with ACMC at least 12 hours prior to refueling.
3. Additional parking stands will be provided upon completion of the apron extension project (old helipad site).
4. Air Seychelles Domestic Operations are instructed not to keep more than two non-operational aircraft on the Operational Apron. Non Operational aircraft should be kept either at the Air Seychelles Domestic hangar or at the Northern Parking Area with the approval of ACMC. For this purpose non-operational aircraft (Code A and B) are on ground with no flights for three hours or more.
5. Notwithstanding point 4. above ACMC may require any aircraft to be removed from the parking areas or make other parking arrangements for operational reasons.
6. Aircraft operators are reminded to fully comply with Airside Notice SIA AN 03 / 2012.
7. Changes to parking arrangements on Bay 1 will be made in the next few days and you will be advised accordingly through an airside notice.

Please contact us should any further clarifications or information be required.

Thank you
