AIC

11/2020
12 OCT 2020

This circular is promulgated for information, guidance and necessary action.

New requirements for passengers travelling to Seychelles

With Immediate Effect (WIE),

1. Passengers are subject to medical screening upon arrival.
2. Passengers must have a negative Coronavirus (COVID-19) RT-PCR test result. The test must have been taken at most 72 hours departure from the first embarkation point.
3. Passengers must have an approved health travel authorization. Passengers must apply for the health travel authorization at <https://seychelles.govtas.com/> . The health travel authorization must match the details of the passport used for travel and RT-PCR test result.
4. Airlines and aircraft operating companies can verify the validity of the health travel authorization at <https://Seychelles.govtas.com/status-check> .

CANCELLATION.

This AIC shall remain valid until otherwise informed.
