

<b>Date</b>  <b>7<sup>th</sup> March 2011</b>	 <b>SCAA</b> <small>Seychelles Civil Aviation Authority</small> <b>SEYCHELLES INTERNATIONAL AIRPORT</b>  <b>AIRSIDE NOTICE</b>	<b>SIA AN 02 / 2011</b>  <b>Temporary / Informative, compliance</b>
<b>INTENDED RECIPIENTS:</b>	<b>All Apron Users</b>	
<b>SUBJECT:</b>	<b>Commencement of work on ‘Apron Floodlight Project’ and ‘Terminal Walkway Extension Project’</b>	

This Airside Notice, serves to inform all apron users of the commencement today, Monday 7<sup>th</sup> March 2011, of the ‘Apron Floodlight Project’ and ‘Terminal Walkway Extension Project’.

The ‘Apron Floodlight Project’ will consist of the installation of four new floodlight masts on the apron from Bay 1 to Bay 5 with the aim of improving apron lighting. Civil works will start today in between Bay 5 and 6. Work is expected to take around two months per floodlight.

The ‘Terminal Walkway Extension Project’ will consist of the extension of the existing airside terminal walkway, northbound towards domestic terminal to further provide safe and covered access for passengers disembarking and boarding aircraft on Bay 1. Work is expected to take around ten weeks.

The appointed contractor for both projects is ‘Allied Builders (Seychelles Limited)’. During construction works, the areas will be hoarded and cordoned off. Some parts of normal operations will be affected to some extent and SCAA will issue updates and necessary directives from time to time. All users are required to comply fully with these directives including safety precautions around work site. Your full co-operation during the execution of the project is solicited.

Please take note of the following useful contacts that may be useful during the implementation of the project;

The project information will be co-ordinated by APMC;
