

Date 11th April 2012	 SCAA <small>Seychelles Civil Aviation Authority</small> SEYCHELLES INTERNATIONAL AIRPORT AIRSIDE NOTICE	SIA AN 02 / 2012 Temporary / Informative
INTENDED RECIPIENTS:	All Apron Users	
SUBJECT:	Commencement of work on ‘Operational Apron Extension Project’	

This Airside Notice serves to inform all apron users of the commencement of the ‘Operational Apron Extension’ project at the Domestic Parking Area. Work is expected to start on Thursday 12th April 2012.

The ‘Operational Apron Extension’ Project will consist of the demolition of the two existing helipads, excavation of the surrounding areas and resurfacing of the area with asphalt. The project is expected to take 3 weeks to complete.

The appointed contractor is ‘Seychelles Land Transport Agency’ with ‘Dugasse Construction’ as the main sub-contractor. During construction works, the proposed area will be hoarded and cordoned off.

Some parts of normal operations will be affected to some extent and SCAA Airside Operations and Air Traffic Control Tower will work in close collaboration to ensure that all works is done in a safe and efficient manner.

ACMC will issue updates and necessary directives from time to time. All users are required to comply fully with these directives including safety precautions around work site and access road leading to it. Your full cooperation during the execution of the project is solicited.

Please take note of the following useful contacts that may be useful during the implementation of the project;

The project information will be co-ordinated by ACMC;
