0052 2006300840/2009302359 2NM array approach steady lights 13 unserviceable.

0069 2008010001/2009302359 EST Seychelles International Airport/FSIA is operational for all scheduled international commercial passenger flights and domestic scheduled and non-scheduled flights.

Entry of passengers into the country are however subject to conditions of the public health authority restrictions and flights originating from high risk countries require specific approval form the public Health Authority.

However, due to covid-19 infection prevention measures, the following flights may only be permitted from countries approved by the department of health.

1. Private aircraft with passengers destined to authorized resorts, yachts or residential facilities.
2. Chartered passengers flights.
3. Cargo flights.
4. Medical evacuation flights.
5. Flights making technical stops.
6. Special flights under agreements between Seychelles government and other authorities.

Except for aircraft in emergency, scheduled and non-scheduled domestic flights, all flights are to seek pre- authorization in accordance with Seychelles AIP GEN 1.2.

ENR ATS is normal and Air Operators are able to file Seychelles as Alternate Aerodrome.
